

# Porcelain

3" x 16", Color Body

## URBAN\_AVENUE

Usage of brick has been instrumental in architectural history, both structurally and aesthetically. In urban settings, ultimately, a quality brick achieves a patina wear with exposure to smoke, dust, dirt, grime of the city and a few coats of paint every decade. It is actually a passage of life, embedded on those surfaces. URBAN\_AVE porcelain stoneware project captures and documents this aesthetic in its own entirety.
